Navigating The University of New Mexico's vibrant campus just got easier with the launch of an online, interactive campus map. Designed to modernize and streamline campus experiences for students, staff, faculty, and visitors alike, this innovative tool revolutionizes how we find our destinations at UNM. The new interactive campus map, available now at https://goto.unm.edu/campusmap, can be accessed on any smartphone for convenient navigation.

REVOLUTIONIZING CAMPUS NAVIGATION: UNM LAUNCHES INTERACTIVE CAMPUS MAP

- Easy to find parking zones and shuttle routes
- Wayfinding with turn-by-turn directions to anywhere on campus
- For Students, QR Code generation is available to open at specific locations, like The Chiles Center and Siegal Center
- For Staff & Faculty, QR Code generation is available to open at specific locations, like The University Bookstore
- Custom print maps are available through the platform for a variety of needs, like events on campus
- Looking for food? Use the map to find locations near you.

This accessible and user-friendly resource is continuously improved and updated to ensure the best experience for all users. It is part of the university's commitment to providing inclusive and equitable access to all facilities and activities.
