Subject: Domestic Water Outage

---

On Saturday, September 15, 2018, the Maintenance Department will perform a domestic water outage on the CRF Building (229).

**The outage will begin at 5:00 a.m. until 12:00 p.m. (noon). The systems that will be unavailable are building rest rooms, water fountains, sinks, lab sinks, and DI water.** This outage is necessary to replace the Main Backflow on the domestic water system.

Area Two Maintenance apologizes for any inconvenience. If you have any questions or concerns, please call, John Couch at 272-5070 or Ron Baca at 272-1191. Thank you for your cooperation.
